

MARCH 2009

NEW YORK THEATER ODYSSEY

MARCH 25 – 30, 2009

The Program

This will be the first annual New York Theater Odyssey which is a long awaited companion to the London Theatre Odyssey, in existence for 36 years.

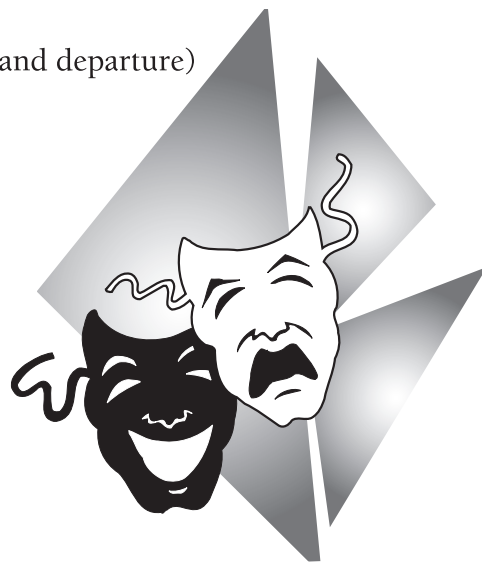

The program will be led by Dan Pessano who is the Managing Director and founder of the Good Company Players, which produces plays and musicals at Roger Rocka's Dinner Theater and their own 2nd Space Theater. Dan has a Masters Degree in Theater Arts and a General Secondary Life Credential. He has taught Theater Arts in high school, community college and at the university level. Dan serves as a director and a performer in many GCP shows, as well as supervising all of the Company's production work.

As it does in London, this program will provide unequalled values in theatrical events, accomodations, guest speakers, and cultural enrichment.
